

Meet RES Team Member Torrie Phillipi

I have been shooting since September of 2010. At my 4th competition I won the ladies 1 World Championships. That was the beginning of my love and passion for the fastest growing equine sport!

My biggest win was last year in Las Vegas at the US Western Championships, winning the ladies reserve overall title. My future plans are to continue competing in mounted shooting and continue my quest of Ladies 6, I am currently at Ladies 4.

My best mount is an AQHA palomino mare Docs Steady Diamond. She is a 6 yr old mare raised by my mom. At the age of 4 her and I started competing together and have grown over the last couple of years.

RES Boots are great products! The sport boots are my main products used. The way that they conform to all different size of legs, keep dirt out and always stay in place after hours of hard use. RES have great products and great people to work with, from orders to product knowledge.
